Welcome to Holy Ground! Welcome to Brown City Camp!

We invite you to this holy place of rest, replenishment, and spiritual renewal. We celebrate our Lord and Savior Jesus Christ and His amazing work within and through His Missionary Church.

We come with family and friends to seek the Lord and draw closer to Him. Several generations have experienced and responded to the presence of the Lord at this camp. It is with grateful, humble hearts that we arrive with great expectations of what the Holy Spirit is going to do with, in, and around us during our time together. We ask the Lord to do what He wants to do!

We are all called to MULTIPLY Jesus, as we live out the Great Commission (Matt. 28:18-20) by loving God and each other, as we live like missionaries right where the Lord has planted us. I pray that the Lord's peace that transcends all understanding will rest upon you and yours, as you camp and enjoy Missionary Church Fellowship.

Love like Jesus, Live like Missionaries!
Pastor Dale Rinke
Regional Director
Michigan Region of the Missionary Church

Welcome Brown City Camp Families and Friends!

It is with great anticipation that we welcome you and your family to our 95th annual family camp. Our theme this year is "Multiply," inspired by Matthew 28:19-20 where Jesus commissions us to go and make disciples of all nations. We are excited to begin this journey together, exploring what it means to multiply our faith, love, and service in Christ.

Throughout this camp, we will be challenged from God's Word, engage in meaningful worship, and participate in activities that strengthen us. Our intent is not only to grow individually but also to multiply the impact of God's love in our families, churches, and beyond. As we gather this year, let us open our hearts to receive God's call and challenges. May this time be one of spiritual growth, renewal, and fellowship. We encourage you to participate fully in all the planned activities, services, and seminars; as each one presents us with a unique opportunity to deepen our relationship with God and each other.

We believe that God has something special in store for each family. Whether you are joining us for the first time or have been part of camp for many years, we welcome you and look forward to experiencing God's presence together. We are continuing to make improvements to the grounds and ministries to make the environment and atmosphere of Brown City Camp a place where you can encounter God. You'll want to check out our newest building which will house our 2- and 3-year old program, snack shack and The Grounds coffee shop.

I encourage you to read the information in this booklet. It is designed to be a helpful resource for you and your family during Camp. If you have any questions at all, please stop by the camp office and we will do our best to answer your questions. Let's join over the next ten days and expect to encounter Jesus, be equipped to live for Jesus, and be sent out to represent Jesus.

Pastor Brent Kriesch
Brown City Camp Board Chairman

Camp Speakers

Paul Epperson

Why would Paul Epperson ever leave the security and comfort of an established teaching and chaplaincy position to hit the road as an itinerant speaker? Two reasons alone: calling and passion. God placed a calling and passion in Paul's heart to teach others how to walk with God in ways that connect the truth of His Word to a practical, everyday life of faith. God knew that Paul's bachelor's degree in Biblical Languages from Columbia International University, his training received at Reformed Theological Seminary and his experience in helping plant an inner-city church in Jackson, Mississippi would be just the right preparation to help train and equip the next generation of Kingdom Laborers. Paul loves discipling college students, young adults, married couples, and ministers just getting started—from one-on-one encounters to large group settings. Paul and his wife, Natalie, along with their five children (Emma Grace, Levi, Chloe, Mia and Gavin) live in South Carolina.

Adrian Despres

Adrian served in many capacities with the Fellowship of Christian Athletes over the years and from 2000-2016, he was the Chaplain for the University of South Carolina's football team. He holds a Master of Divinity from Columbia International University. He also serves as Chaplain to the Athletic Department/ Teams at CIU. His ministry reaches thousands of young people and adults of all ages each year and has brought thousands into a relationship with Christ. Adrian's passion to see lost souls saved and Christians called into a life of laboring for God continues to propel his ministry. Adrian and his wife, Lisa, have two daughters and two sons, an amazing daughter-in-love and are now also blessed to be grandparents. His life verse is Acts 20:24. "However, I consider my life worth nothing to me; if only I may finish the race and complete the task the Lord Jesus has given me, the task of testifying to the Gospel of God's Grace." Adrian travels from South Carolina.

Praise & Worship

Jesse and Jessica Maurer

Jesse and Jessica Maurer are honored to be returning to Brown City Camp to lead worship for the Eastman Tabernacle services with their band, The Worship People. Jesse works as a cabinetry engineer and Jessica is a full-time mom. Along with leading worship in various capacities, they are also members of the acapella vocal band, Luminos Music. They currently reside in Lagrange, IN, with their four children, Jackson (9), Liem (7), Calli (7), and Dominic (6). It is the desire of their hearts that they and their team bring glory to God and magnify Him through music, inspiring people of all ages to worship our Lord together in spirit and in truth. Let the word of Christ dwell richly among you, in all wisdom teaching and admonishing one another through psalms, hymns, and spiritual songs, singing to God with gratitude in your hearts. Colossians 3:16

Jodi Kloock

Jodi Kloock has been the worship leader at Orchards Community Church in Romeo, MI for 10 years. She comes from a very musical family background and was raised playing and singing in church with her family. She loves to serve the Lord for His faithful goodness and mercy He has lavished over her life with her husband of 22 years, Leighton, and their 4 beautiful children! The Lord has raised up 31 gifted musicians, over the past 10 years, from all ages and walks in life to join the OCC worship band - it is a constantly lively and moving/rotating team that loves to worship the Lord together! The team's prayer is that together, we can usher in the Spirit of the Lord to praise Him, glorify Him, and to prepare our hearts for all that God has in store!

Multiply.

My first thought is UGH, I hate math!

But this “multiply” is not about numbers; it’s personal, it’s about the human heart, the spiritual being, it’s about people, their future and their forever! I don’t know about you, but I didn’t come to accept Jesus until I was 24! I was excited to multiply the Kingdom of God. I knew A LOT of people who needed to change, to be different, and they needed Jesus! The problem was - my enthusiasm for Jesus and telling them they needed to change made them angry and embarrassed. Their rejection of Jesus made me feel like a failure. See, they saw me as “different” and I wasn’t sure I wanted to be looked at that way! NOW, I love being different for Jesus.

When Jesus called His disciples, He called them each by name and made sure they knew He “knew” them (the good, the bad and the ugly)! Each of them were different; some didn’t like each other, but Jesus saw each as unique individuals who were going to change the world because of His teachings. As the disciples grew and followed Jesus, so did their ability to lead others; some by words and others by actions.

Every one of us at every age is called to be different; set apart as His witnesses! Do you accept that call? We will be “different” but Jesus said He would never leave us - EVER!! It won’t always be easy, but it will always be worth it!!

Get used to different!

In His grip,

Donna Recor

News From Your Lot Secretary

1. All final payments for TEMPORARY LOTS must be postmarked BEFORE May 1, 2025; after that date, the Camp Board reserves the right to cancel your lot reservations for the 2025 camp. However, you would be eligible for another campsite, if available. If you do not make your final payment by May 1, 2025, contact the camp office at 810-346-2480 or office@browncitycamp.org for any available lots.

2. All final payments for PERMANENT LOTS must be postmarked BEFORE May 1, 2025; after that date, a \$40 late fee will be charged. Permanent Campsite Agreement holders must use their campsite (or, allow the use of their campsite by any Missionary Church member, or any other person(s) agreeable to the camp board) at least once in any two year period during the regularly scheduled camp meeting. If you fail to occupy the campsite by noon the first Friday of camp, the Camp reserves the right to use the campsite. If you will be arriving after the first Friday of camp, you may retain the use of the campsite by calling the Camp Office at 810-346-2480.

3. CHANGES TO YOUR PERMANENT LOT AGREEMENT- In an attempt to better serve the Camp, changes are occasionally made to the Permanent Lot Agreements. All changes and additions the Camp Board makes to the Permanent Lot Agreements apply to all Permanent Lot Campsite Agreement holders.

4. OVERNIGHT CAMPING - The registration fee you pay for the use of your campsite each year applies only to the 10 days of Family Camp. If you stay at your campsite outside of the normal 10-day Family Camp, there is a \$20 nightly fee—this applies to all Temporary and Permanent lots. Please obtain an overnight camping form from the box located at the Welcome and Exit Gates, and place it with your payment in the payment slot as you leave camp; or give your payment and form directly to Ken Bricker or Linda Marsh.

5. PERSONAL PROPERTY AND LIABILITY INSURANCE - The Camp's insurance does not cover cottages, mobile homes, trailers, or other personal insurable items, etc., against vandalism, accident, fire, or wind/tree damage. We strongly urge each person with property on the campgrounds to obtain extended liability for your protection. This type of insurance should include property damage protection and liability.

6. CAMP BUILDING PERMITS - You must obtain a building permit from the camp in order to build or add a shed, deck or porch; pour concrete, add gravel, or make structural improvements. Building permits can be obtained by contacting the Buildings and Grounds Committee. The following individuals are on the Buildings and Grounds Committee: Ken Bricker (810-346-2480), Kurt Tuckey (989-891-7328), and Brent Kriesch (810-324-8434).

7. CAMPSITE RESERVATIONS - Linda Marsh is the Lot Secretary & can be reached through email at office@browncitycamp.org or by calling the office: 810-346-2480.

REMINDERS FROM YOUR CAMP FACILITY & MAINTENANCE MANAGER, KEN BRICKER

In order to keep the campgrounds clean and safe, please follow these guidelines:

- SEWER CONNECTIONS: Sewer connections must be sealed between camper units and risers on all lots. All campers must have these connections with them. These connections are not furnished by the camp. You will not be able to hook up without them. The County Health Department checks to make sure these are installed.
- HEATERS AND STOVES: Only GAS water heaters and stoves are allowed, with NO exceptions! Please do not violate your lot agreement.
- UNWANTED ITEMS: The campgrounds are used by several other groups each year. Please remove unwanted items from camp grounds, such as : refrigerators, air conditioners, lawn furniture, lawn mowers, grills, etc. PLEASE CLEAN UP UNDER YOUR UNIT. Small animals are making their homes under units.
- UNHOOK AND STORE ITEMS WHEN NOT IN USE: Please keep water lines and electrical cords unplugged and put away when lots are not in use. **We are not responsible for damages caused by mowers hitting them.**
- WATER USAGE AND LEAKS: Please conserve water throughout the week and immediately report all water leaks.
- CHANGES TO YOUR UNIT OR LOT: See Management before making changes to your lot or buildings. Do not cut off sewer risers. For all problems contact the camp Facility & Maintenance Manager through the camp office.

Winterizing Your Own Unit This Fall

Winterizing the water system of each cabin, mobile home, or R.V. is the owner's responsibility. If you do not do your own, you should make arrangements to have it done by one of these two qualified men by filling out a request form at their campsite or by contacting them. Please note this is NOT a service of Brown City Camp.

Thank You, VOLUNTEERS

It takes THOUSANDS of hours to prepare the Brown City Campgrounds for Family Camp each summer. Over 2,500 campers of all ages attend camp every single year. This summer, nearly 100 people came to WORK WEEK and gave freely of their time, energy and talents to contribute to a LOT of projects that are necessary for you to enjoy camp as you are now doing. There were also several volunteers that spent much of their summer here to help out with the day to day operation of Brown City Camp. This is an ongoing responsibility that never ends. Since family camp ended last August, here are some of the tasks and projects that were completed ~ and many are still in process!

- The entire campground is mowed weekly ~ even your lot!
- Every cottage that is used to house our guest speakers/worship leaders was cleaned and prepared for their use.
- Countless maintenance and repairs were made in various cottages.
- The Adult Dorms were cleaned and prepared for campers 55+.
- Every tabernacle was cleaned, swept and set up for use.
- Various things were painted around the campus.
- Repairs to broken water lines were made.
- Hours of lawn maintenance ~ leaf blowing, weed eating, edging, tree trimming, raking, mulching and flowers were planted.
- Buildings and sidewalks were pressure washed.
- 6 Bath Houses were scrubbed, sanitized and maintained all summer long.
- Cooks, bakers, kitchen helped served us meals during Work Week and Kidz Camp
- Electrical Upgrades were made in the 400 Section.
- **NEW SPRUNG BUILDING:** It is always a risk to list the volunteers who should be thanked for their input into this project, so we will highlight areas that have been blessings from God. Permits/Inspections, Underground Drainage, Ground Prep, Footings, Compactors, Excavation, Electricians, Concrete Pouring/Finishing, Meals prepared and served, Playground fence installation, 6 Sowers were here over the span of 6 weeks, Work week volunteers who helped raise the frames/panels, Installing insulation...and the list goes on! There were many, many man/woman hours in so many areas. Wow! What God has accomplished through all of you! A simple “thank you” seems insignificant for the magnitude of what was accomplished already!

We welcome you to join us for Work Bee on Monday, August 12, as well as any other time this summer and next to join the great team of volunteers that keep Brown City Camp in ship shape!
